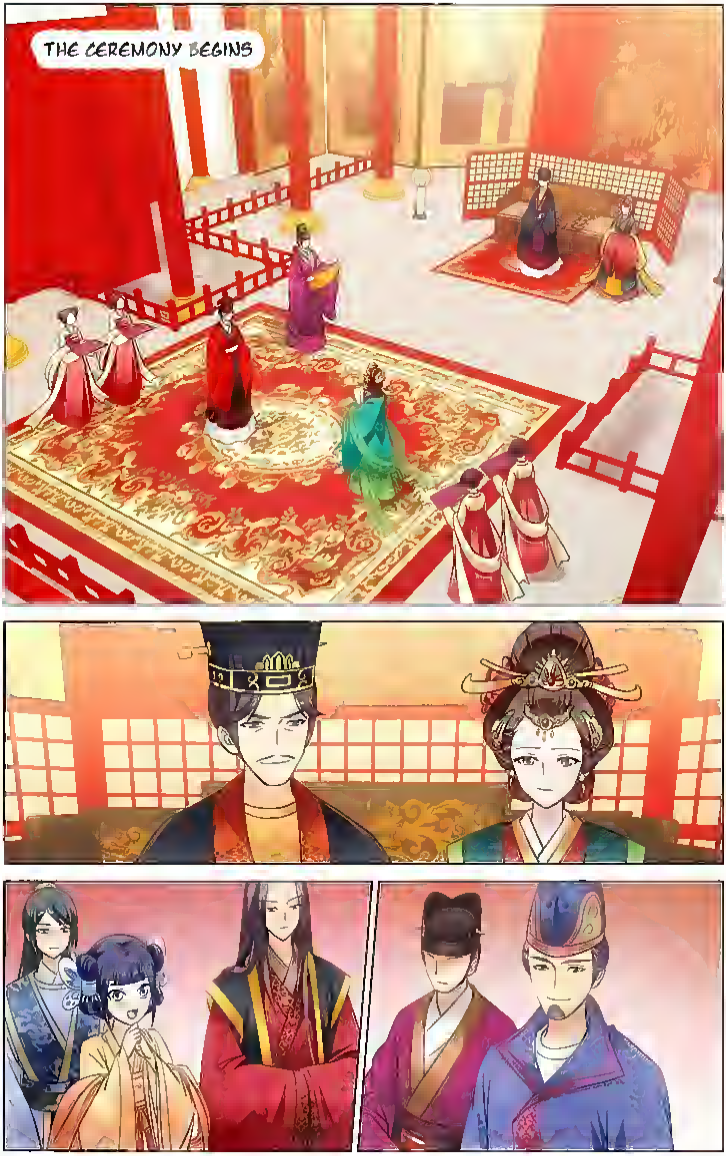
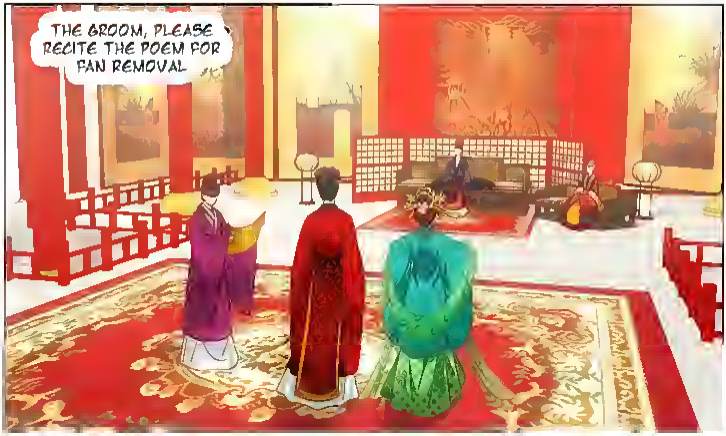
王爷不要啊

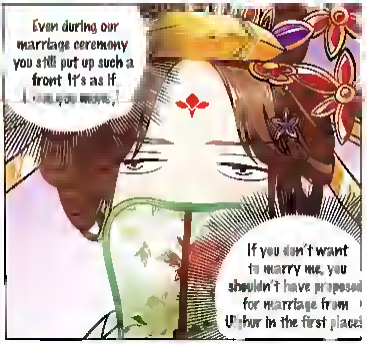
It is hoped that the two countries will stay friendly henceforth
and can support one another.

So that the two flourishing countries' citizens can lead peaceful lives...

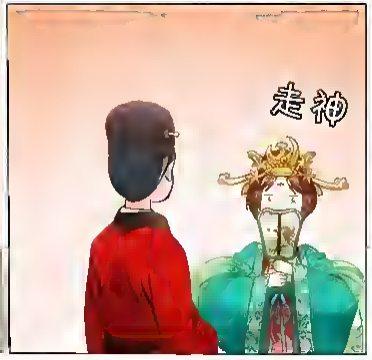


THE CEREMONY BEGINS





Even during our marriage ceremony you still put up such a front It's as if
If you don't want to marry me, you shouldn't have proposed for marriage from Ushur in the first place!



Note: The bride has to wait until the groom recites the poem for fan removal before she is able to remove the fan blocking her face.

SFX: DISTRACTED

PRINCESS, THE POEM HAS ALREADY BEEN RECITED ARE YOU SATISFIED WITH OUR PRINCE'S POEM?
HMM? YES, I'M SATISFIED
THEN WOULD PRINCESS KINDLY TAKE DOWN YOUR FAN AND GIVE IT TO ME
ALL RIGHT ....
No, if I take down my fan now, he will definitely recognize me!
What shall I do?

YOU ARE A PRINCESS WHO IS GOING TO MARRY A TANG PRINCE. YOU CARRY THE BURDEN OF THE TWO COUNTRIES' FRIENDSHIP
FOR THE SAKE OF THE PEOPLE FROM BOTH COUNTRIES. THERE MUST NOT BE FIGHTS AGAIN. FOR THE CITIZENS TO HAVE PEACEFULL LIVES, YOUR MARRIAGE IS NECESSARY.
YOUR STATUS WILL BE DIFFERENT FROM TODAY ONWARDS. YOU MUST TAKE NOTE OF YOUR STATUS AND WHAT YOU ARE DOING. UNDERSTAND?
I couldn't reject my fate from the day I was born. If I can't hide from this day, then I shall bravely accept it
No matter what the outcome will be

Do you have amnesia? Do you not remember seeing me last night at the pavilion?
What's this act of not being familiar with me?
Is it that I am not beautiful?
It's definitely because of the darkness last night that you did not see me clearly
It cannot be that you only had eyes for Si Kongzhen last night!
Look properly, I am not a dirty maidservant!
